

King Edward Ave. Demonstration April 26 - 4pm

Location: Corner of King
Edward Ave. & Rideau Street

*The Lowertown and Sandy
Hill communities will unite
to DEMONSTRATE
for a voice for
all communities.*

*URGENT: City Council Votes
on April 27*

*Councillor Fleury moved to kill a study that would make King
Edward Avenue a safer and healthier street for all.*

He did not listen to his community.

He thinks a bridge in 15 years is the only solution.

We need solutions to the trucks and other problems NOW.

It is time to tell our Councillors to LISTEN.
