

Bingham Park Revitalization

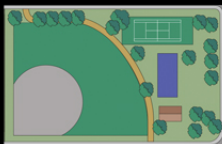

Our Park, Our Community

Located at 145 Cathcart Steet in Lowertown, Bingham Park is one of the oldest and most historic parks in Ottawa. We, the members of the community, believe the time has come to restore the park. In so doing, we will create a secure, family-friendly space, which is a focal point for the neighbourhood's social energy and pride.

Proposed Design Elements:

- New Safer Fencing
- Baseball Diamond Replaced With Soccer Pitch
- New Entranceway
- Samuel Bingham Monument
- Fountain & Formal Garden
- Improved Children's Play Area
- Basketball Nets
